“WB State Quota PG Medical/Dental e-Counseling for Admission to MD/MS/PG Diploma/MDS Courses” is web enabled software of NIC providing end- to-end solution to academic institutions in their admission processes. E-Admission system provides facility to the candidate to apply online, pay e-counseling fee using electronic payment gateway or e-challan system; Registration of candidature for e-counseling process for getting allotment of seat as per rank, choice and category as applicable.

Broadly, the process for online Counseling comprises of the following:

1. Counselling would be carried out in two rounds. First round comprising of online registration after payment of counselling fees either online or offline via e-Challan generation, choice submission, choice locking, etc. The Second round of counselling **would not allow** any fresh registrations, and candidates desirous of participation in Second round are required to submit willingness during reporting at the time of admission and would be considered for fresh choices as earlier given choices will be null and void. **If there are residual seats after admission in Second round, eligible candidates can be admitted against vacancies (will be detailed later on).** In case, fresh choice could not be allotted, earlier allotted choice would be retained. In case of candidates, who could not report for admission in the predefined reporting period, the seats allotted would automatically get cancelled. In Second round counselling the seats returned vacant from All India Quota (AIQ) seats online counselling will be added after necessary categorization and break up so updated seat matrix will be prepared and published before commencement of the Second round. **The seat conversion rule will be applicable for Second round.**
2. Candidates' interface for online Registration would be available in **First round only.**
3. Candidates' interfaces for online exercising of choices comprising of selection of an institute and course thereon, which would be activated in First and Second round of Counselling during the actual period of Counselling as per schedule.
4. Candidates are required to lock their choices after finalization of choice submission before the closure of the Locking period. Processing of seat allotment as per individual merit of candidates and reservation criteria applicable through below mentioned (pre-approved) appropriate algorithm.
5. Publication of seat allotment result at the end of each round online resulting in the generation of provisional seat allotment letter.
6. Admission of candidates at **Allotted Institutions (AI) or at WBUHS**, comprising of online document verification, generation of seat allotment/cancellation letters based on credential verification, through specific user interfaces within a predefined duration in each round which will automatically account for filled and vacant seats as per seat allotments made in a specific round of Counseling.

1.1 Payment & Registration

- In this step, all candidates declared 'eligible' on the basis of WBPGMAT-2016 & WBPGDAT-2016 results are required to register **ONLINE** through Internet using URL: <http://www.wbmcc.nic.in> from places convenient to them during the period prescribed during the first round of counseling after fee payment. There should be a definite period for payment of (on-line or off line) fee by the candidates prior to registration and choice filling. **Off-line** payment through any branch of UBI may be done with the computer generated e-challan. To accommodate UBI customised software, 9- digits roll number will be prefixed by auto generated digit '9' in the challan.

On-Line West Bengal State Quota PG Medical And Dental Counseling Process-2016

- No candidate will be allowed to enter his/her name in the process of counseling after the deadline.
- After successful payment the candidates will receive Transaction ID for registration. Registration will be done by the candidate mentioning particulars like name, father's name, roll no., acknowledgement no, category, address, email ID, Phone Number etc. Candidates are advised to keep his /her Transaction I.D in strictly confidential manner. In –service doctors will have to fill up sponsorship code for registration.
- Online Registration is mandatory for all eligible candidates for participation in the Counseling for admission to Medical Institutions. **Online Registration by candidates is allowed only in first round.** Candidates, after successful registration can submit their choices and revise them during the specified period before locking.

1.2 Online Choice Submission & locking of Choices Module (Candidates should submit Choice of Institute and Course):

In this step, all the registered candidates would be permitted to exercise their choices of Institutions and courses thereon in order of individual preference. The procedure is detailed herewith:

- The procedure for exercising choices and seeking pertinent information is guided through appropriate messages and tabs on the users' computer screen at the appropriate interface.
- As per the eligibility of the candidate in terms of merit and applicable reservation criteria, choices available to the candidates comprising of list of Institutions & courses thereon will be displayed.
- **Exercise of choices** – Candidates are authorized to exercise their choices according to their caste-status. Unreserved candidate can only give choice in unreserved seat (UR). A reserved Category Candidate having 50 % and above, s/he may exercise choices for both as unreserved category and reserved category seats. Option by reserved category candidates for unreserved seats: OBC-A, OBC-B, SC and ST category candidates are authorized to opt for reserved category seats as well as unreserved category with 50 % or above marks obtained in WBPGMAT or WBPGDAT 2016.
- Candidates can submit as many choices as desired in the order of individual preference from the list of available choices. Candidates are permitted to change or re-order their choices, delete earlier submitted choices or add new choices any number of times through specific user interfaces till they lock their final choices.
- **Once the choices are locked by the candidates, they are not allowed to make changes in the choices submitted and also can't be unlocked under any circumstances.**

1.3 Choice Locking & Printing of Locked Choices

- Candidates **MUST** lock their choices only after they have finalized their respective choices but, in any case, on or before the last date of the locking period. The process of **Locking of choices would involve entry of password and requirement of confirmation of locking of choices along with display of warning message that Choices once locked can't be unlocked. Accordingly, candidates are required to make sure that their choices are final and then only they should exercise choice locking option.**
- After the choices are locked, candidates will not be able to change their choices. A printable version of the choices along with the terms and conditions agreed by the candidates at the time of registration are displayed once the choices are locked. Candidates are advised to take a printout of the locked choices.

On-Line West Bengal State Quota PG Medical And Dental Counseling Process-2016

- If candidates fail to explicitly lock their choices by mentioned time on the last date of counseling, **their last saved choices would be automatically locked** by the system after the deadline. Candidates are therefore strongly advised to lock their choices themselves and secure a printout of these locked choices. **Registered candidates who do not exercise any choices or fail to save them shall not be allotted any seat as no choices are exercised by them.** Candidates can login again after locking the choices; **they can only see their locked choices but they can't be modified or altered.**
- Choices of institutions and courses selected by the registered candidates would be processed at the end of each round of counseling and the candidates would be allotted seats in the order of merit as per reservation criteria and also as per the availability of seats in an institution.
- Successful and allotted candidates in each round are required to report to allotted institute during the specified period of reporting, for completion of admission formalities, – viz., document verification, fee deposition as per institute fee structure and submission of willingness for further up-gradation/participation in the subsequent rounds of counseling. **The online reporting activities would be carried out by Institute officials/reporting centers/ allotted institutes using their respective user ID and Passwords).**
- After each round of allotment, a successful candidate who has secured a seat has to physically report at the allotted institute (AI)/reporting center/WBUHS. The official of the institute would access counseling software application through specific authorized user interface to carry out online admission process.
- Reporting at allotted institute, by each candidate, after each round of allotment, is mandatory, otherwise the candidate shall forfeit the allotted seat and would not be allowed to participate in further rounds of counseling.
- Candidates can resign /withdraw from counseling during period specify for that only in any of the round of counseling.
- Candidates, who resign (withdraw) at any stage, will not be considered for subsequent rounds of counseling/seat allotment.

NOTE: 'Saving' a choice is NOT the same as 'Locking' it. A choice that is only saved but not locked can be retrieved later on and modified within the stipulated counseling period and the modified choices are required to be saved if required. The old choices or earlier modifications could be changed subsequent to latest saving of choices. But the choices, which are locked, cannot be modified or saved afresh.
